

Production Workers

SRI Homes - Kelowna a division of Champion Canada International ULC (Canada's largest producer of manufactured housing) is looking for several General Production Employees at our manufacturing plant located at the northern end of Kelowna, in the Central Okanagan Valley of southern British Columbia.

General production employees are responsible for the manufacture of modular and manufactured homes. Work is primarily indoors with some departments outdoors. Workers must be willing to work in multiple departments, work well with minimal supervision and work well under pressure. They must have an eye for quality, and have good comprehension of written and spoken English. An in-depth understanding of processes, procedures and the ability to work safely. Workers must be capable of heavy work, by physically fit and without injury. Must be able to wear PPE, inclusive of respiratory protection and able to use tools of various types.

- Construction experience preferred but training will be provided.
- Ability to work safely and efficiently
- Experience using air tools an asset
- Proven punctuality/reliability through work history
- High School Diploma
- Good hand/eye coordination
- Ability to lift up to 27kg (60lbs)

The position is full-time, paid hourly and offers full benefits upon completion of probationary periods.

Starting wage of \$15.84/hr for first 60 working days, progressing to \$19.55/hr after 240 working days. Regular Hours are 7:00 AM to 3.30 PM Monday to Friday.
