POSITION: Production Supervisor (Night Shift)

COMPANY INFORMATION (Who We Are):

SRI Homes - Kelowna a division of Champion Canada International ULC (Canada's largest producer of manufactured housing) is looking for an experienced **Production Supervisor (Night Shift)** at our manufacturing plant located at the northern end of Kelowna, in Winfield. This position reports to the Production Manager.

POSITION DETAILS (What You Will Do):

The **Night Shift Production Supervisor** is responsible for leading employees through orientations, training, mentoring opportunities and coaching to achieve best performance. Training topics include: production methods, safety, policies & procedures. The successful applicant will demonstrate a sense of urgency to meet key targets, standards and accountability. The successful applicant will build teams and maintain lasting relationships with peers, corporate departments, key business partners and employees. Further, using well-developed problem-solving skills, new methods will be sourced and incorporated into existing practices. Budgeting of resources local to the department and global to the plant will be essential.

QUALIFICATIONS (Who You Are):

Team members must have/have the ability to:

Minimum 3 years of experience in a manufacturing environment preferred. Previous work in a pre-fabricated manufacturing setting is an asset.

- Demonstrated ability to motivate, train, and coach employees on process changes.
- Reasonable understanding of change management principals.
- Able to effectively communicate verbally and in writing.
- Proficient with Microsoft Office suite.
- High degree of resourcefulness, flexibility and adaptability.
- Must have the ability to plan, organize, develop, implement and interpret programs, goals, objectives, policies, procedures, etc.
- Experience in a unionized environment preferred.
- Formal training and practical experience in Lean manufacturing principals/techniques preferred.
- Red Seal/Journeyman Certificate (welding, plumbing, electrical, construction) an asset.
- Level 2 or 3 First Aid or willingness to be trained is required.

COMPENSATION DETAILS (What We Offer):

The position is full-time, salaried and offers full benefits upon completion of probationary periods.

- Extended Health Care
- Dental Care/Vision Care
- Disability Insurance
- Life Insurance
- Employee Assistance Program
- RRSP Match

Starting salary of \$55,000-\$75,000 based on experience and qualifications.

Regular Night Shift Hours are: 4:00 PM to 2:30AM Monday to Thursday, 10 Hour Shift. All shifts are subject to change depending on the needs of the business. Please note there will be an initial period of time working the day shift for training purposes before moving to the night shift.

This position has been deemed safety sensitive and will require drug and alcohol testing as a condition of employment.

Due to COVID-19 Restrictions, applications should be submitted via email to: applysrihomes@gmail.com
